FDA COVID-19 Testing Guidance:

Note: This guidance is for reference and not required for this study.

(We do NOT provide additional tests)

If you have COVID-19 symptoms, test again 48 hours after the first negative test, for a total of at least two tests.

If you do not have COVID-19 symptoms, test again 48 hours after the first negative test, then 48 hours after the second negative test, for a total of at least three tests.

If you get a positive result on any COVID-19 test, you most likely have COVID-19 and should follow the CDC guidance for people with COVID-19.

Instructions

**Please read all
instructions before
proceeding**

Step 1:

(Start [HERE](#) if you **ARE** completing the COVID-19 test(s))

At home antigen test "Purple Test"

Follow instructions provided in the **purple test** box.

While waiting for results of the **purple test**, complete mail-off **green test**.

After 15 minutes, take a picture of the results from your **purple test**.

Save photo of **purple test** results to upload in survey.

Step 2:

Mail-off confirmatory test "Green Test"

Scan for Instructional video:

Do not eat, drink (even water), brush your teeth, or smoke, for 30 minutes prior to collecting your saliva (spit) sample.

Follow instructions provided in **green test** bag.

Once you have collected your saliva (spit) sample, please use the prepaid box to ship your sample.

Mail your sample within **3** business days: postage is prepaid-- it is **FREE!**

Once sample is received, your e-gift card will be sent to your email or text.

Step 3:

(Start [HERE](#) if you are **NOT** completing the COVID-19 test(s))

Follow-up survey

Use the link texted or emailed to you from "Represent ATL" to complete a **SHORT** follow-up survey.

Upload results of **purple test** when instructed to do so.

Once you complete the short follow-up survey, your e-gift card will be sent within 3 business days to your email or text.
